

TIGER 79

Jammy,

to a really sweet person I'm glad I got to know you're really got to be special to be able to put up with Williams and some of the people, and Debra that's something, that's hard for me to do and I've lived thru all of my life, but you seem to cope and have a smile on your face. It takes some kind of person to be able to do it and you are! Now I want to get to the old traditional stuff about wishing you luck and happiness and all of that. I really mean it tho. You deserve it. You stay pretty and sweet and you'll be OK in this old world.

Love ya,
Danya

In Memoriam

Being friends
is a warm and glowing touch
It's words
of kindness that mean so much
Through days
and years that bond has grown
A blessing
only friends have known
Being friends
holds a meaning true.
It's past
and present and yet it's new
It's time
wrapped up in things we do
We're glad
God made a friend like you

Dear Ray:

I have marked my first choices on the back of the appropriate pictures. As I'm sure you will understand, it is most difficult to make a selection only from pictures and I hope the other contestants aren't too disappointed. Actually, any of the finalists would probably have made a fine representative for your class.

To the Seniors of 1979:

During the past year we have become aware of some of your outstanding qualities as young adults.

You are very mature in your attitudes, behavior and ideals.

You are kind, sensitive, compassionate, charming, witty, talented, hardworking, and tolerant.

You are quick to assist those in need, regardless of age.

You are above pettiness, snobbishness, and ridicule. You are an asset to your family, friends and teachers, community, school, and church: a quality that is as rare as it is desirable.

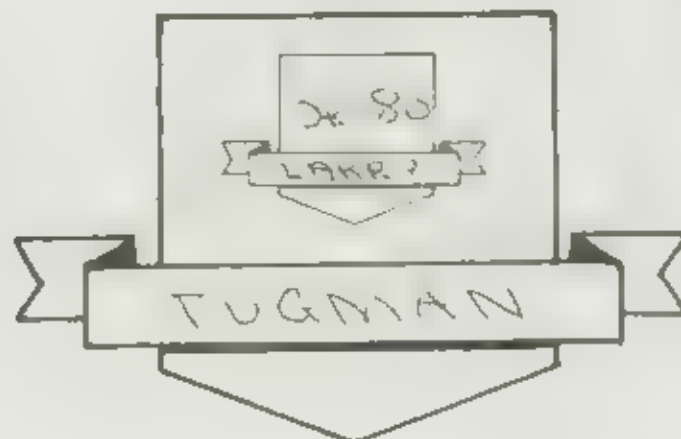

Your fine qualities have been observed by those older than you, but more importantly, by those younger - as you set some of the standards and goals by which they will follow.

You are a handsome, ambitious, eager, exciting, and interesting class.

It is good to know that you are the Leaders of Tomorrow.

Congratulations to each of you!

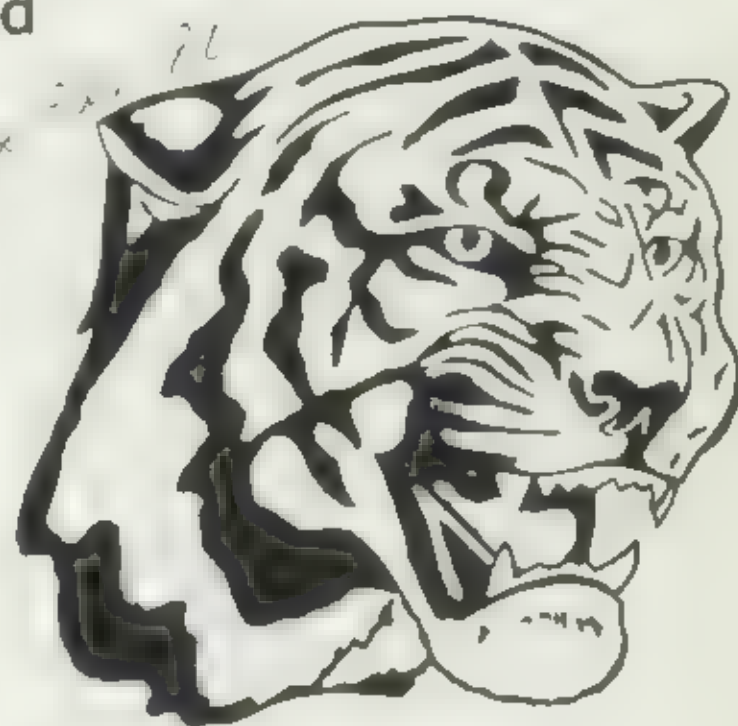

Terry and Marie Wax

FTA activities include an FTA Tea for the teachers, a fun trip in the Spring, and meetings every two months. FTA members assist teachers with grading papers and making out tests. FTA members cannot have below a B+ average. The Gilham FTA Chapter was started by Gady's Crockett in 1947 and is one of the oldest FTA chapters in Arkansas.

MOST COOPERATIVE

Most Cooperative is a little different from our who's who because the teachers choose them on the basis of class participation, school activities, and other functions around the school whereas who's who is chosen by the students.

EDITORIAL

It is the responsibility of the yearbook editors to produce a pictorial summary of the school year. This is a tremendous task and could not be possible without the aid and direction of our sponsors and all involved working together to produce the yearbook.

We hope as editors of the 1979 Tiger, that we have captured in some way, the uniqueness of the 1978-1979 school year at G.H.S.

We would like to express a special thanks to Mr. Frachiseur for his advice, direction, and cooperation in working with us to produce this pictorial summary.

We wish next year's editors the best of luck in capturing their unique year at G.H.S.

It's been hard work yes, but all work no, and we hope we have produced a book that will have a special place in the hearts of the '79 Seniors forever!

IN MEMORIAM

The hearts of many people were saddened by the death of a very dear friend and loved one on July 18, 1978. Mrs. Roden taught school for 19 years, all of which were at Gillham, beginning in the fall of 1955 and ending in May, 1974. While teaching at Gillham, Mrs. Roden sponsored the Future Teachers Association and many senior classes. Mrs. Roden was a member of the Gillham Baptist Church where she taught a Sunday School Class for a number of years. She was also a member of the Eastern Star, serving as Deputy Grand Lecturer and also as Worthy Matron. She served as city treasurer of Gillham for a number of years. After her teaching tenure at Gillham, she became postmistress of the Gillham Post Office where she served until July, 1978. Mrs. Roden was loved and cherished by family, faculty, students, and friends and was an inspiration to all.
